RE: BZA Training recommendations with costs

I have researched some options for training of BZA Members and staff.

Training	Description	Cost
Michigan State University Extension Citizen Planner Classroom Program	The Citizen Planner Classroom Program is a six-week course offered in a classroom setting or through video conferencing. Participants earn the certificate by successfully completing all six sessions. Courses are held during consecutive weeks at a local facility or via computer-based video conference at your home or office. Each three-hour session includes lectures and hands-on learning exercises. The six sessions provide the fundamentals on roles, responsibilities and best practices for planning and zoning in Michigan	\$295.00 per person in classroom \$275.00 per person on-line
Michigan Association of Planning Annual Conference	Planning Michigan Conference MAP's 2019 Annual Conference Kalamazoo Radisson Plaza Hotel at Kalamazoo Center September 25-27, 2019	Based on 2018 cost: 540.00 per person (early-bird registration)

Based on 7 Board members and 4 BZA staff the estimated cost for the Michigan State University Extension Citizen Planner Classroom Program is \$3,245 for the classroom or 3,025 for the on-line class. I recommend the option because there are no classroom options left for 2019 in Wayne, Oakland or Macomb Counties.

Based on 7 Board members and 2 BZA staff the estimated cost for the 2019 Michigan Association of Planning Annual Conference is 4,860. This does not include hotel accommodations.

The proposed training opportunities cost are: 7,885.00. The Michigan State University Extension Citizen Planner Classroom Program offers several opportunities for continuing education and training once the Citizen Planner Program is completed. I have attached information on the program and the dates for the 2019 convention.

I am available to discuss this information and other options for training.

Planning Michigan Conference

MAP's 2019 Annual Conference

Kalamazoo | Radisson Plaza Hotel at Kalamazoo Center

September 25-27, 2019

Call for Sessions Deadline - April 8, 2019

The Planning Michigan Conference Committee is requesting session proposals for the annual conference.

The committee seeks session ideas that are relevant, timely, and thought-provoking.

When submitting a proposal, please consider:

- Limiting session descriptions to 80 words.
- Session ideas that are well constructed, are weighted higher.
- Incorporating an interactive element.
- The session selection process is highly competitive, the committee can not select all sessions that are submitted.

The Michigan State University Extension (<http://www.msue.msu.edu/>) Citizen Planner Program offers land use education for locally appointed and elected planning officials and interested residents throughout Michigan. This non-credit course leads to a certificate of completion awarded by MSU Extension. Advanced training through the Master Citizen Planner (MCP) credential is also available. The Citizen Planner Program is offered in a classroom or via video conference setting, or through a convenient self-paced opportunity called Citizen Planner Online.

Citizen Planner Classroom Program

The Citizen Planner Classroom Program is a six-week course offered in a classroom setting or through video conferencing. Participants earn the certificate by successfully completing all six sessions. Courses are held during consecutive weeks at a local facility or via computer-based video conference at your home or office. Each three-hour session includes lectures and hands-on learning exercises. The six sessions provide the fundamentals on roles, responsibilities and best practices for planning and zoning in Michigan, including:

1. **Understanding the Planning and Zoning Context:** Learn the legal sources and limitations of planning and zoning authority and explore your understanding of ethical decision-making.
2. **Planning for the Future of Your Community:** Recognize the function and importance of a master plan, know the process for developing one and its relationship to zoning.
3. **Implementing the Plan with Zoning:** Discover the importance of zoning, learn how zoning is administered and gain confidence in your zoning reviews, including site plans.
4. **Making Zoning Decisions:** Learn how to adopt and amend a zoning ordinance, understand the role of the zoning board of appeals and obtain skills in basic property development methods.
5. **Using Innovative Planning and Zoning:** Strategize with placemaking and design-based solutions for local and regional success in the New Economy.
6. **Successfully Fulfilling Your Role:** Strengthen your ethical decision-making skills, apply standards to your decision-making and know when to ask for help.

Citizen Planner instructors include MSU Extension educators, MSU faculty, and practicing planners and attorneys in Michigan. The registration fee for the Citizen Planner Classroom Program is \$295 and includes a comprehensive training manual. Review the listing of planned Events linked at the top of this page or contact the Citizen Planner office for information on upcoming events.

Citizen Planner Online

Citizen Planner Online is a completely online, self-paced version of the program designed for individuals who can't fit a six-week course into their schedule or who prefer this style of learning. It takes approximately 15 hours or so to complete, and can be accessed 24/7 so that individuals can

Master Citizen Planner Credential

Participants who complete the Citizen Planner Classroom Program or Citizen Planner Online are eligible to earn the Master Citizen Planner (MCP) credential. In addition to completing the course, the MCP credential requires passage of an online exam, capstone presentation and meeting annual continuing education requirements.

Master Citizen Planners may receive incentives, such as course discounts, exclusive training opportunities and scholarships for annual conferences and regional training offered by partnering organizations. The MCP designation is an achievement recognized as the standard of excellence among planning officials and community leaders in Michigan.

Citizen Planner Advanced Academy

The Citizen Planner Advanced Academy is an annual training opportunity developed for Master Citizen Planners. Offered each year in early June, the Advanced Academy includes instruction on the latest developments within the discipline of planning and zoning, plus emerging land use hot topics statewide. While the program is tailored to MCPs, it is open to all.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

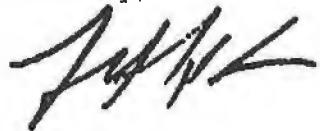

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

RE: Action Required on Mayor's Proposed Amendments to the Executive Organization Plan

The Mayor submitted a proposed amendment to the Executive Organization Plan (EOP), dated March 7, 2019, to "increase the number of Deputy Directors within the Buildings, Safety Engineering and Environmental Department from one to two, serving under the Director of the Department." See attached, "Executive Organization (EOP) Plan". Section 7-102 of the Charter requires that City Council review the plan, conduct hearings on the Mayor's proposed amendment(s), and take action on it within sixty business days, or May 31, 2019. If City Council does not act to disapprove the proposed amendment, it will become effective after sixty business days.

As discussed in LPD's March 7, 2019 memo (attached), sections 5-105 and 5-107 of the 2012 Charter specifically contemplate (and authorize) the appointment of one deputy director by the department director with the consent of the Mayor. It is therefore LPD's recommendation that City Council schedule a public hearing and take action to disapprove the proposed amendment.¹ The hearing can be held in the context of a formal session, immediately preceding the vote. Disapproval of the amendment requires a vote of two-thirds of serving City Council members. A "Resolution to set and provide notice of the public hearing on the Executive Organization Plan submitted March 7, 2019" is included in the Mayor's submission.

Should the Council have further questions, LPD will respond.

Attachments

¹ Given the clear direction provided by the Charter's explicit language and discussions with representatives of the Administration, it is LPD's expectation that the Administration will withdraw the proposed EOP. But as that step has not yet been taken, Council should act to avoid the automatic adoption of the EOP, as contemplated by the Charter.

Re: Executive Organization Plan (EOP) Amendment

Honorable City Council:

I am pleased to present to you the attached amendment to the Executive Organization Plan (**EOP**). Pursuant to Section 7-102 of the 2012 Detroit City Charter, any amendment to the EOP is to be submitted to your Honorable Body and made public. After a public hearing, your Honorable Body is required to approve, recommend modification, or reject the plan within sixty (60) business days. Lacking such action, the Amendment becomes effective.

The proposed amendment to the Executive Organization Plan would:

1. Increase the number of Deputy Directors within the Buildings, Safety Engineering and Environmental Department from one to two, serving under the Director of the Department. Given the unprecedented level of blight enforcement needed to improve the quality of life for Detroit residents, it is imperative that the Department have a deputy director that is responsible for code.

In addition to the proposed amendment, please find attached the Resolution Distributing the EOP Amendment and Notice Thereof as well as the Resolution to Set and Provide Notice of the Public Hearing. We are available to respond to any questions or concerns and look forward to continued collaboration on this important issue.

Respectfully submitted,

Michael E. Duggan

Mayor, City of Detroit

TO: The Honorable Detroit City Council
FROM: David Whitaker, Director 
DATE: March 22, 2019
RE: **Proposed Amendments to the Executive Organization Plan**

The Mayor has submitted a proposed amendment to the Executive Organization Plan (EOP) to “increase the number of Deputy Directors within the Buildings, Safety Engineering and Environmental Department from one to two, serving under the Director of the Department.” The Mayor explains, “[g]iven the unprecedented level of blight enforcement needed to improve the quality of life for Detroit residents, it is imperative that the Department have a deputy director that is responsible for code.”

Pursuant to section 7-102 of the 2012 City Charter, “the Mayor shall prepare an executive organization plan which, consistent with law and this Charter, sets forth all agencies of the executive branch and assigns authorized programs, services and activities to each agency.” Once the plan is proposed and made public, it is City Council’s role to review the plan, conduct hearings¹ on the Mayor’s proposed amendments, and where appropriate, request that the Mayor make modifications to the amendments. According to the Charter, “all amendments to the plan must originate with the Mayor.” (Charter section 7-102) The City Council can only approve or disapprove the Mayor’s amendments; Council has no independent ability to modify what the Mayor proffers.

The proposed amendment, dated March 7, 2019, was filed with the City Clerk on March 7, 2019. Sixty *business* days after the Mayor files the plan with City Council, “it shall become effective, with such modifications as are accepted by the Mayor, unless disapproved² by a resolution adopted by a two-thirds (2/3) majority of City Council members serving.” The Mayor’s filing calculates May 31, 2019 as sixty (60) business days from when the Plan was filed with the City

¹ A hearing can be held within the context of a formal session immediately preceding a vote on the amended EOP.

² City Council disapproval requires a vote of two-thirds (2/3) of serving City Council members.

Clerk.³ Thus, a vote to accept or reject the proposed EOP should be taken by that date.

Applicable City Charter Limitations

The Mayor's proposed EOP, which "assigns authorized programs, services and activities to each agency", is intended to increase transparency in governmental operations and provide a road map for the public to navigate through City government. Although the Mayor has great latitude in organizing City government, the plan must comport with the requirements of the Charter and other potentially applicable law. In that regard, section 5-105 states:

Sec. 5-105. Appointment of Deputies. Except as otherwise provided by law or this Charter, the Director of each department of the executive branch may, with the consent of the Mayor, appoint a Deputy. The appointment shall be made and may be revoked without cause by a writing filed with the City Clerk.

Section 5-105's specificity with respect to the appointment of a **single** deputy, is confirmed by the dictates of Section 5-107:

Sec. 5-107. Powers of a Departmental Deputy.

The Deputy in each department of the executive branch shall, under the Director's supervision, during the director's absence or disability, or while the director's position is vacant, exercise all the powers and perform all the duties of the director to the full extent permitted by law.

Section 5-107 clearly contemplates a single departmental deputy to stand in for an absent director.

While the Mayor's explanation of the need for an additional deputy is entirely reasonable, particularly given the resumption of demolition responsibilities within our city departments – an outcome this Honorable Body has strongly urged; however, the plain language of the Charter prohibits the appointment of more than one deputy per department. Appointment of an individual responsible for blight enforcement to serve in an appropriately titled position below the level of deputy director may be an alternative.

LPD recognizes that other departments have increased the number of deputy directors over the past few years, most recently the Department of Public Works (DPW).⁴ Careful review of the Charter in anticipation of the work of the Charter Revision Commission highlighted the discrepancy between the language of the Charter and the reality of the administrative structure of City government. The Charter Commission may reconsider the

³ This computation of time apparently assumes that Good Friday (April 19, 2019) is a business day, although Memorial Day (May 27, 2019), a federal holiday, is not a business day; the sixty day count customarily begins on March 8, 2019, the first business day following the March 7, 2019 filing of the proposed amendment with the City Clerk.

⁴ A survey of other departments may reveal that there are multiple deputies appointed under the authority of the Emergency Manager. However, absent the authority of an EM, the Charter currently limits appointment to one deputy per department.

limitations of Section 5-105 during the course of its work. However, in the interim and pending a revision of this section, the Charter controls. An EOP amendment cannot operate to amend the Charter.

As the primary goal of the proposed EOP currently under consideration is to create a second position for a deputy director for BSEED, City Council might request that the Mayor withdraw or amend the document to comport with the Charter.

Should the Council have further questions, LPD will respond.
